April 10, 2024

Dear EMP kindergarten families,

We are planning for next year and are very excited to let you know about our **Welcome to Kindergarten** sessions, happening on **Wednesday, May 1**. Parents of newly registered kindergarten students have been placed in either the first session (9:15 – 10:15) or the second session (10:45 – 11:45).

Your designated time is: _____

There are three main goals of Welcome to Kindergarten:

- A) Build student comfort by providing an opportunity for students to see the school and staff members before they begin school.
- B) Provide teachers the opportunity to meet students, in anticipation of class placements in the fall.
- C) Provide parents a welcome to the school where they can meet staff members, including teachers, principal, admin assistant, and support staff such as our speech and language pathologist, our learning services teacher, counsellor, etc.

After all gathering in the gym for a few minutes, students will visit play-based stations planned by our K team, and then parents will come with me to the library for a short presentation and question & answer time.

Please RSVP to our administrative assistant, Ms. Gray (Rebecca.Gray@sd6.bc.ca or call the school at 250-342-9315). We may be able to shuffle a few of you from one session to the other if it would work better for your schedule, but we need to know final numbers soon to plan for groupings.

Please note that you must attend the Welcome to Kindergarten event for your catchment area's local school, even if you intend to apply for a cross-boundary transfer.

In partnership,

Rebecka Riddell-McKay
Principal
